5. Mr Chandy, Asst Superintendent of Police, was promoted to act as Superintendent of Police with effect from the 19th August 1940. He held this post till the 7th May 1941 when he was reverted to his permanent appointment as Asst Superintendent for serious misconduct. The circumstances leading to this event, are explained in full in the Final Note dated the 13th May 1941. He is now stated to be employed as a Commissioned officer in the Indian Military Department.

7. The D. G. of Police, however, refers to an order of the Govt. of Madras granting certain Concessions to the Candidates in War Service. The point for consideration is whether ~~On this~~ order of this kind is applicable in the case of Mr Chandy whose reversion was due to mis-conduct. It is also a point for consideration whether the reversion of Mr Chandy as ~~Asst~~ Superintendent of Police is to be a permanent one. There will not, in the ordinary course, be any vacancy for 5 years to come in the grade of Dy Supdt of Police. It is also submitted that the restoration of Mr. Chandy to his original rank, will not affect his juniors immediately as he is on war Service The recommendation of the D. G. of Police, is for orders.

CHIEF SECRETARY. 12. FEB. 1942 GOVT. OF MYSORE.

Representation of Mr. C.Chandy.

SIR,

I have the honour to enclose a copy of a representation dated 2nd January 1942 from Mr. C.Chandy praying for certain concessions, and to state that in accordance with Government Order No.W.1313-85/W 138-40-2 of 29-12-1941 he will retain his lien as Assistant Superintendent of Police and be permitted to count the period spent on War Service towards increments.

His other request for promotion to the rank of District Superintendent of Police during War Service remains for consideration. The Government of Madras in their order No.2483 Public (Services) of the 4th November 1941 (extract enclosed) have ordered that persons who take up Emergency Commissions should not be placed at a disadvantage as compared with those who seek civil employment only. It appears equitable therefore that persons volunteering for War Service should in Mysore be similarly protected from loss of seniority and consequently of promotion in their civil employment.

Mr. Chandy was reverted to his substantive rank of Assistant Superintendent of Police for misconduct, vide your letter No.4419/CB 194-40-3 dated 10-6-1941.

Not readily available vide Regr. Pap. flag B

In all the circumstances I recommend that Government may now be pleased to restore him to the rank of acting District Superintendent of Police and treat him as seconded. This will enable him to rejoin duty at the end of the war as a District Superintendent of Police without loss of seniority, failing which many of his juniors will supersede him. Messrs. Abdul Latif and Visweshwara Iyer for

for example, both of whom are his juniors, are now acting as District Superintendents of Police and will otherwise take permanent rank above him.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

Representation dated 2-1-1942 from Mr. C.Chandy, M.A., B.L., II Lieutenant, R.I.A.S.C., Kakul, Punjab, to the Inspector-General of Police in Mysore.

I have the honour to request that in view of my being employed as a Commissioned Officer in the Indian Military Department under the sanction of the Government of Mysore for the duration of the War, my lien as Assistant Superintendent of Police in the Police Department be retained and that my claims for increments and promotions be considered as if I were on duty in the department by seconding me in the case of promotions when they accrue.

Further, I have been shown in the Civil List as on Long Leave and I request that this may be changed as "on War Service".

PUBLIC SERVICES - RECRUITS - CONCESSIONS TO CANDIDATES WITH WAR SERVICE - ASSIGNMENT OF SENIORITY ON APPOINTMENTS IN RESERVED VACANCIES - INSTRUCTIONS - ISSUED.

The following Government Order is published for information.

In order to ensure that persons who take up Emergency Commissions in preference to Civil employment are not placed at a disadvantage as compared with those who seek civil employment only, it is necessary to make it clear to the latter that candidates with war service when recruited after the war to reserved vacancies in civil services will be assigned places in the cadres of the services with regard to their ages and periods of war services. This is necessary not only to protect war service candidates from loss of seniority as a result of taking up war service instead of entering civil services in the ordinary way, but also from the point of view of the larger interests of the administration, in order to ensure the proper distribution according to age of recruits in the cadres of the services, which would have been secured had the reserved vacancies in the services been originally filled in the ordinary way as in normal times. His Excellency the Governor is accordingly pleased to direct that the Madras Public Service Commission and other competent authorities will take necessary steps to issue a warning to intending candidates for civil services by including it in a notice appended to the rules for examinations or selections or to the letters of admission to Examinations or letters summoning candidates for interviews for appointment by selection to different services for which recruitment is made by them.
